AGILITY TURF

INTRODUCING AGILITY TURF

AGILITY TURF, MADE FOR INTENSE TRAINING

ABOUT AGILITY TURF

Agility Turf features a strong textured polyethylene slit-film fiber designed specifically for intense indoor training areas. The system offers excellent durability with less abrasiveness than typical nylon or polypropylene carpets.

Combined with a 5mm foam backing, Agility Turf doesn't sacrifice on comfort or performance.

With a multitude of available colors, you can truly make your facility unique.
